## POLICY

Lacombe County will generally not lease, sell or otherwise dispose of statutory road allowances.

Non-statutory road allowances that are not required for public travel or any other purpose may be sold or exchanged for new road right of way.

## REGULATION

The value of the right of way for sale or exchange will normally be established at thirty (30%) percent of the rate that would be paid by the County if the area was currently being purchased for right of way.

Any right of way sold or exchanged shall be consolidated with adjoining property.
