Alberta

1. Lacombe County personnel Mike Woods (896-2933) or Dale Guest (896-3330) are to be notified no less than **12 hours** prior to the proposed move.
2. All assessed costs for road damages are determined solely by Lacombe County and are actual costs required to restore the road back to its condition prior to the move. A company representative may be present when the costs for damages are established.
3. The applicant shall indemnify and save harmless Lacombe County and Lacombe County employees, any and all of these, from any and all claims, actions or suits brought forth due to the operations conducted under this agreement.
4. **The loading and unloading of drilling rig components or equipment shall not take place on a public road.**
5. Failure to comply with **Section 4** of this agreement or **receive prior approval** for this move in Lacombe County contravenes the conditions of a Provincial Permit.
