Rimbey RCMP Community Consultive Group

Hello,

Rimbey RCMP created a community consultive group in an effort to have direct and open lines of communication with the community we police. In an effort to have this group represent a cross section of our community, we would appreciate consideration for having a member, such as a councilor be part of this group which meets two to three times a year, in addition to receiving e-mail correspondence. The purpose of this meeting is to share information and assist the detachment in determining and discussing community priorities.
