Dear Member Municipalities,

On September 8, 2021, the Sylvan Lake Management Committee (SLMC) held their regular meeting where they discussed the previously requested repeal of the Sylvan Lake Management Plan and subsequent future of the SLMC. The Committee agreed that similar to the redundancy between the Sylvan Lake Management Plan and the Sylvan Lake Intermunicipal Development Plan (IDP), two committees to deal with the health and sustainability of the watershed was unnecessary. Given that the IDP states that an IDP Committee will need to be established to oversee the plan and its implementation, the SLMC determined that the Management Committee would no longer be necessary.

At that meeting the following motion was made:

Moved by N. Rattan to dissolve the Sylvan Lake Management Committee following this meeting.
Carried

As the Chair of the Sylvan Lake Management Committee, I am requesting on the Committee's behalf, that the member municipalities consider withdrawing their participation and membership in the Sylvan Lake Management Committee and further that they support the Sylvan Lake Management Committee's decision to dissolve the Committee, as the new IDP Committee will be established to promote sustainable land development and protect the health of the watershed.

Should you have any questions please feel free to contact me at roger.gj.dufresne@gmail.com.

Sincerely,

Roger Dufresne
Chair, Sylvan Lake Management Committee
