Hi Cajun,

My name is Daiana Casaldarnos [REDACTED]

I would like to make the following comment and change for consideration to Bylaw 1366/16 - Land Use Bylaw to HR1 in Mirror AB.

The current minimum square footage for a home is 900sq ft. I would like to ask that it be a more reasonable size, more around the lines of a minimum of 700 sq ft.

I am considering developing a place in town but unfortunately 900 sqft is the minimum, and we were looking for more of a cabin. I feel 700sqft minimum is a fairer square footage and may attract more to develop.

Should you have any questions, please feel free to contact me at any time.

Kind Regards,

Daiana Casaldarnos
