Mr. Weenink inquired how the County can help small businesses hold events at a cheaper cost than the current permit cost. Mr. Weenink commented that often these one-day events help small businesses make a decision if they wish to move forward with their initiative or try something different. Mr. Weenink referred to Gull Lake Honey who is hosting an event at considerable costs for a permit.	Agreed to discuss at a Committee of the Whole as noted above.		
Mr. West inquired if a draw for a County rain barrel could be set up for the upcoming Lacombe & District Trade Show.	Mr. Timmons advised that a draw will be set up for the event.		
Mrs. Knights commented she has had a number of calls regarding the intersection of Highway 821 and Milton Road and people speeding through the intersection. Mrs. Knight inquired if the stop ahead light could be placed at the intersection or if the Enforcement Officers could sit there at certain times.	Mr. Timmons advised he will look into the matter.		
Mrs. Knight inquired if Alberta Environment has sent out the mooring standards for Alberta Lakes.	Mr. Timmons commented that nothing has been received and he will contact Alberta Environment regarding this matter.
