Sgt. Pierre St-Cyr
Detachment Commander
Rimbey, Alberta

Dear Mr. Timmons,

Please find attached the quarterly Community Policing Report that serves to provide a quarterly snapshot of the human resources, financial data and crime statistics for the Rimbey detachment. This report covers the October 1st to December 31st, 2021 reporting period. As part of our continued commitment to engage with the communities we serve in enhancing service delivery, this report is a key tool to address any questions or concerns you may have.

As we embark on 2022, the safety and security of Albertans remains to be the top priority for the Alberta RCMP. The inclusion of Body Worn Cameras on our front line members supports our long-standing commitment towards enhancing public safety and trust with the communities we serve by increasing the transparency of police interactions with citizens. Later this spring, a number of Body Worn Cameras will be piloted in locations across Alberta to inform the success of the provincial rollout that is aimed to follow in the 2022/23 fiscal year. Front-line officers at detachments in Grande Prairie, Parkland, St. Paul, and Gleichen will take part in the pilot. These locations were strategically chosen given their high volumes of calls and varying line speeds. This pilot will allow us to see how the system performs and make adjustments to ensure it meets our needs before the full roll-out.

We are also getting the process underway for multi-year financial plans for MPSA and PPSA contracts. If you are policed under a MPSA, you will be invited to an information session and I will be working with you to develop the multi-year financial plan for your community. If you are policed under the Provincial Police Service (communities under 5,000), the Alberta RCMP will be working directly with the Province of Alberta to develop the multi-year financial plan.

In addition, the Joint Business Plan is being finalized collaboratively by the Alberta RCMP and the Province of Alberta. The development of this plan has taken into consideration and input from communities as reflected in the Interim Police Advisory Board (PAB) report.

While this broader plan is nearing completion and is reflective of provincial policing priorities – in the coming weeks, detachment commanders will be engaging with communities to identify and discuss local policing priorities as they develop their detachment annual performance plans.

The attached reporting along with your valued feedback and guidance will support the reinforcement of your policing priorities, and help ensure we are meeting your community needs on an ongoing basis. As the Chief of Police for your community, please feel free to contact me if you have any questions or concerns.
