Keynote: Attracting High Value Investment to Your Community

The CPAA is pleased to announce Lynette Tremblay, Vice President, Investor Relations with Invest Alberta Corporation, will be joining us to share the Keynote Address to open the 2022 Conference at 1:30 on Monday, May 2. Lynette will be providing information and inspiration about attracting high impact, high value investment to Alberta, as well as lessons that can help attract investment to your community.

Education Session: Preparing for a Climate Change Driven Future of Flood, Fire and Extreme Heat

The CPAA is excited to confirm that Blair Feltmate, Head of the Intact Centre on Climate Adaptation at the University of Waterloo, will be presenting the 2022 Education Session. The Education Session will be held on Monday, May 2 from 9:00 am to 12:00 pm. The Education session is held prior to the beginning of the main Conference. Be sure to register for the Education Session as a part of your conference registration!
The session will discuss the impact extreme weather events and what they will mean for municipal leaders, planners, insurers and homeowners helping to ensure we can get ahead of climate change rather than chasing it. Join us as we explore paths forward from the various challenges - climate change, COVID, fiscal challenges, economic diversification, technology integration - our communities are facing and how they intersect with community planning.
