

Lacombe County Environmental Stewardship Award

Information

Lacombe County is committed to a healthy environment for current and future generations. As part of that commitment, the County has established the Lacombe County Environmental Stewardship Award. Environmental stewardship, in broad terms, is the responsible use and protection of the natural environment through conservation and sustainable practices. This award was created to recognize a Lacombe County resident or community group who applies environmental stewardship daily. **The nomination period is from July 15 to September 30.** Please submit applications in person or by email to jberry@lacombecounty.com. A judging panel will select the winner and receive a one-time cash prize of \$1,500.

Eligibility

- The nominee must be a resident or community group and practicing environmental stewardship within Lacombe County
- Can only be the recipient of the award once
- Nomination forms need to be submitted before September 30
