Department Operations	Policy No. OP(9)	Page 1 of 1
Policy Title PUBLIC WORKS FOR COMMUNITY ORGANIZATIONS	Date: February 23, 2023	Resolution No. C/84/23

Policy Statement

Lacombe County recognizes there may be opportunities to partner with local community groups to enhance community facilities through the use of County-owned equipment and resources.

Regulation

Authorization is given to the County Manager or designate for projects costing less than \$15,000.

The work to be undertaken must be for a purpose that will benefit the people of a community or the County as a whole.

The property on which the work is to be undertaken must be located within the County or an urban municipality within the County and held under title or long term lease by the organization or club.

The dedication of County owned equipment and resources shall normally be limited to times when it is not required for County operations.

Consideration to provide public works for community organizations will be given once a written request has been received by the County Manager or designate.
