Department SANITATION AND WASTE	Policy No. SW(4)	Page 1 of 1
Policy Title RECYCLING OF WASTE MATERIALS	Date December 8, 2005	Resolution No C/770/05

Policy Statement:

Lacombe County recognizes the environmental benefits of recycling certain waste materials and supports joint ventures with adjacent urban municipalities as a means of providing recycling opportunities for county residents.

Regulation:

1. Lacombe County will, subject to negotiating a mutually acceptable agreement, partner with urban municipalities in order to provide an opportunity for county residents to recycle certain waste material.
2. The contribution towards a recycling program will generally reflect the potential value and use of the program(s) by Lacombe County residents as well as any revenue generated from the potential sale of the waste material or diversionary credits from the Lacombe Regional Waste Services Commission.
3. Operational policies and fees related to the recycling program shall generally be the same for the residents of the urban municipality and county residents.
4. County residents are to be notified of the opportunity to participate in the recycling programs through regular ads in the County News.
5. Funding for this program will be determined by Council through the annual budget process.
