### CURRENT OCCUPATION

Retired

### RELEVANT EXPERIENCE

I recently retired after 27 years with Lacombe County, where I started as a labourer and worked my way up to Shop Supervisor—a role I proudly held for the past 14 years.

That journey gave me a deep understanding of how the County works, along with a clear view of where we can improve and become more efficient. Over the years, I've also taken leadership courses that reinforced the importance of working together, listening, and finding solutions as a team.

### REASON FOR RUNNING

I care deeply about our community and believe that by working collaboratively—with residents, fellow councillors, and administration—we can strengthen fiscal responsibility and create prosperity for everyone.

Now that I'm retired, I have the time and commitment to dedicate my full attention to this role. My goal is simple: to help ensure that every part of Lacombe County remains safe, strong, and thriving for years to come.
