RELEVANT EXPERIENCE

With more than three decades of public service experience, I have developed a strong understanding of local government and the importance of responsive, transparent decision-making.

During my time on Council, I have been actively involved in a wide range of initiatives and organizations. I am currently serving as Chair of the Agricultural Service Board (ASB) Provincial Committee, Buffalo Lake Intermunicipal Development Plan Committee, and Synergy Alberta. I'm also vice-chair of the Buffalo Lake Management Team and the Highway 12/21 Water Commission.

Born and raised in Lacombe County, my husband, Leonard, and I run a cow/calf operation north of Mirror, where we raised our four children. My lifelong connection to the community and to agriculture has shaped my leadership and my dedication to serving the diverse needs of County residents.

REASON FOR RUNNING

I am honoured to have been nominated and am seeking re-election as Division 2 Councillor. My goal is to remain "Your Voice at the Table" and continue representing the citizens of our area with fairness, openness, and accountability.

Lacombe County is a diverse region with many unique needs. I am committed to ensuring all residents receive strong and supportive public services in a fiscally responsible way. As new initiatives and projects come forward, I believe my years of Council experience will be a valuable asset in helping to guide decisions while balancing ongoing municipal matters.

Agriculture, the backbone of our County, must remain a priority whenever land-use decisions are made. Farmers truly do feed our families, and supporting this industry is vital to our future. With deep roots in the community and a family history tied to agriculture, I remain committed to working hard on behalf of Division 2 and all residents of Lacombe County.
