

ATTENTION

Grain Bag and Twine Recyclers in Lacombe County

Are you recycling your agricultural plastics and twine to help the environment?

IT ONLY WORKS IF YOU RECYCLE RIGHT!!

We have found many recycling issues, which have led to twine bags thrown in the garbage (rather than appropriately recycled). Please ensure you are following the proper steps (below).

NO feed bags ~ NO grain totes ~ NO silage plastic ~ NO bale wrap

Grain Bag Recycling

Requirements:

- Agriculture producers who request grain bag recycling services must provide one individual on site, capable of assisting the rolling and collection operation.
- Grain bags **MUST BE FREE** of grain, mud, dirt debris, and vermin.
- To ensure used grain bags are eligible for recycling, grain bag collection services should be scheduled within one week of grain extraction.
- Grain bag collection services are offered free of charge.

Details:

At this time, Lacombe County is ONLY collecting grain bags. The grain bags will be rolled and collected directly at the farm sites for eventual delivery to a plastic recycling center in Alberta.

Twine Recycling

Requirements:

- 1. Shake** – Remove as much debris, snow or ice as possible. Excessively dirty twine may be rejected, or subject to a landfill tipping fee or additional charges at drop off.
- 2. Bag** – Place loose twine in a Clean Farms Twine Recycling Bag and tie bags to close. Please do not knot the twine. Clean Farms Twine Recycling bags are available free of charge at Lacombe County office or Lacombe Regional Waste Services Commission Transfer Sites.
- 3. Return** – Return to a Lacombe Regional Waste Services Commission Transfer Site during regular business hours.

Details:

Producers can pick up Clean Farms Twine Recycling Bags at the Lacombe County office and Lacombe Regional Waste Services Commission Transfer Sites during regular business hours. Twine will only be accepted if it is placed in the Clean Farms Twine Recycling Bag, and then brought to the collection site.
