## REASON FOR RUNNING

I have enjoyed my first term serving our community as Lacombe County – Division 4 Councillor. Over the past four years, I've learned to understand and apply my role on Council, worked closely with County administration (a great group of folks), and most importantly, engaged and cooperated with the residents of Lacombe County.

My focus/goals as Division 4 Councillor moving forward will be to continually strive for the preservation of our strong Agricultural sector, while balancing it with intelligent economic growth and prudent financial management. AND as always, to support the positive values that make Lacombe County the great and vibrant community it is!

As your Councillor and representative on numerous boards/committees over these past 4 years, I have gained an understanding of how to be an effective member of a strong Council. I trust I have done a good job, and I humbly ask for your support to continue my efforts for another term as your Division 4 Councillor. Thank you.
