

AG BUSINESS SPOTLIGHT

Information

In addition to the over 1000 farms located in Lacombe County, we are also home to countless ag-related and value-added agricultural businesses.

In our new program, the 'Ag Business Spotlight' we want to highlight the incredible producers, makers, suppliers, and service providers who are in the region – many of whom are not widely known.

We invite you to participate by completing this application and submitting it to our Economic Development Officer for review. Feature articles will be written based on the information you submit, and photographs will be included both in the County News and through our social media channels.

COMPLETE THE ATTACHED FORM by filling out all of the required fields electronically.

PHOTOS Please submit 2-3 photos of your team, operation, or products.

SITE VISIT In some cases, there may be a need for an additional interview or tour as well, and we welcome the opportunity to experience your business in a more hands-on way! Please indicate on the application if you would like a site visit from the Economic Development Officer as part of your submission.
