RELEVANT EXPERIENCE

County Council for the past 8 years. As Deputy Reeve of the most recent Council, I have actively engaged in the governance of the County. I have enjoyed meeting many new people and in helping them address community concerns. I have been Lacombe County's representative on several committees/boards some of which include:

- Agricultural Service Board
- Municipal Planning Commission
- North Red Deer River Water/Waste Water Service Commission
- Clive Seed Plant
- Red Deer River Municipal Users Group
- Red Deer River Watershed Alliance
- Alix Chamber of Commerce
- Alix Public Library

REASON FOR RUNNING

I am pleased to have witnessed many positive developments throughout the County. Agriculture continues to be the backbone of Lacombe County; assessment growth, both residential and industrial, has allowed Lacombe County to continue to provide the required services while being fiscally prudent. On a personal note I am very pleased to have witnessed the construction of the new Haynes Community Hall.

Lacombe County has benefited in the past from dedicated Councils and Administrations. A strong foundation has been laid that secures future prosperity. I wish to continue to advance the work already in place to ensure Lacombe County continues to be a community that fosters success. I ask for your support on October 20.
